

सत्यमेव जयते

प्रधान मंत्री  
Prime Minister

**MESSAGE**

Teachers are the most important contributors to nation building. Being a friend, philosopher and guide, the teacher moulds the personality of the students and thereby strengthens the nation. On this Teachers' Day we pay rich tributes to Dr. Sarvepalli Radhakrishnan, a great educationist and statesman.

On this auspicious occasion, I extend my warm and heartiest greetings to all teachers of this great nation.

  
(Narendra Modi)
